

STATEMENT OF CONFORMITY

Application of the
Council Directive 97/23/EC of 29 May 1997 on Pressure Equipment, as amended, and Swedish ordinance AFS 1999:4

STATEMENT NO.: 15-1004177-100 Rev. 0

Scana Steel Björneborg AB Björneborg, Sweden

has undergone a specific assessment for materials as required by
Directive 97/23/EC, Annex 1 Chapter 4.3 and EN 764-5:2014 section 4.2
for the scope of

Manufacturing of ferritic steels with specified elevated temperature properties

The manufacturer disposes of the essential procedures and equipment as well as the required qualified personnel to ensure quality of manufacturing and testing of the materials and products mentioned in the scope of approval given in enclosure 1.

In combination with a certified quality system the manufacturer meets the full requirement of Directive 97/23/EC, Annex 1 Chapter 4.3 and EN 764-5:2014 section 4.2.

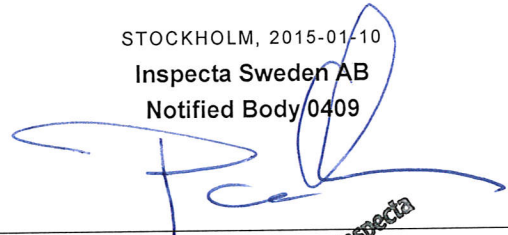

APPLICATIONS/LIMITATIONS:

Modifications made to the material manufacturing and testing routines shall immediately be reported to Inspecta Sweden AB in order to examine whether this Statement remains valid. Audits will be made to verify the validity of the Statement of Conformity.

This Statement is valid until: 2018-01-10
